*The advertised interest rate is our lowest rate based on a customer with an excellent credit profile. The final interest rate, repayment amount, and establishment fee will be provided if an application for credit is approved. Information and interest rates are current as at 4 Jun 2024 and are subject to change. Late payment fee of \$4.99 may be charged by Brighte if you miss a repayment. All applications for credit are subject to Brighte's credit approval. Fees, terms and conditions apply.

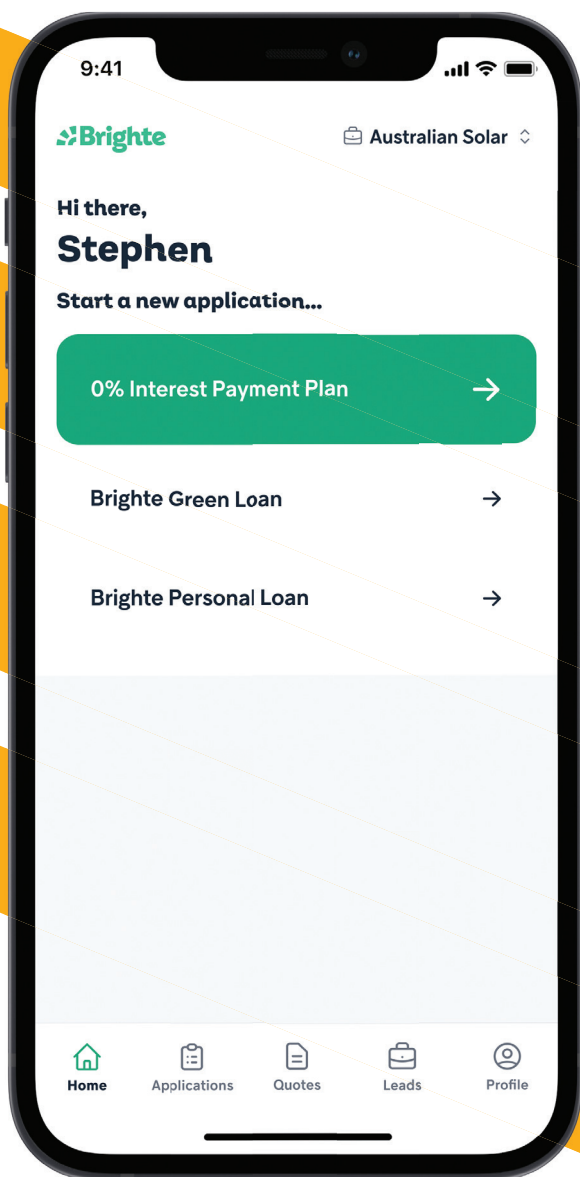

^Comparison rate: Calculated on an unsecured \$30,000 loan over 5 years, based on fortnightly repayments.

WARNING: Our comparison rate is only an example. Different terms, fees or loan amounts may result in a different comparison rate.

The Brighte impact to your business

We take care of the financing so you can focus on providing the best service for your customers.

- **Fast finance applications** for Brighte's 0% Interest Payment Plan, customers receive a credit decision within minutes and for other products, within 1-3 business days. You are able to track the application to see where your customer is up to.
- **Online portal and app**, depending on the product, send quotes to your customers, or loan referrals using the Brighte Vendor App.
- **Choice and support**, you decide which product works best for your business. Brighte offers support through a dedicated Account Manager and support team.
- **Fast settlement** with Brighte financing, once the job is complete we pay you on the same day.

"Brighte payment plans are a win for everyone. The sales team are happy because they have more options to discuss with customers and this often means extra sales. Customers benefit because a payment plan brings energy innovations within reach."

Stanley Sun

Managing Director, Ausuntech Energy
