

# Report for Teknack 2018

Don Bosco Institute of Technology (DBIT), Kurla launched its annual technical fest 'Teknack' on the 24<sup>th</sup> and 25<sup>th</sup> of February, 2018. The fest which is an online event, had the theme 'Around the World'.

Teknack '18 was a tremendous success on many levels. We got participation from over 40 colleges in the city with students in the age group of 16-25 from more than 20 colleges across over 10 states. There were about 600 visitors who spent an average of 15 minutes per login this year (source: Google analytics). Teknack provided a platform for the up and coming programmers and designers from DBIT to put their best foot forward. We spent hours trying to formulate new and innovative ideas so that the users got a new adventure altogether.

We thank your company for the sponsorship provided to our team. We would love to know what you'll thought about Teknack '18 and hope your company's relationship with our team will be long lasting.
