The image shows a screenshot of a music management dashboard. At the top, there is a navigation bar with a dropdown menu set to 'Common Ground Demo', a search bar with the text 'Find a release or product...', and user account information 'MY ESHOP' with a notification bell icon showing '12' and a profile icon 'AA'. The main dashboard area is dimmed, showing a sidebar with navigation options like 'Dashboard', 'Inventory', 'Add Release', 'Add Product', 'Playlists', 'Collection', 'Orders', 'Checkout', 'Credit Note', 'Customer', 'Vouchers', 'Messages', 'Eshop edit', 'Media', 'Stickers', 'Exports /', 'Newslette', 'Templates', 'Support', 'Docs', and 'Preferences'. The main content area includes a 'Sales over time' chart with filters for '30 DAYS', '60 DAYS', and '90 DAYS', a 'Recent orders' table with columns for 'ALL', 'SHOP', 'DISCOGS', and 'ONLINE', and a 'Week 9' summary for 'Tuesday, Feb 28, 2023' showing a total of '\$188' and a change of '+36.8%' over the 'Last 30 days'. A modal window titled 'Add release item' is open in the center. It has three buttons: 'Add release item', 'CSV Upload', and 'Add a release without Discogs'. Below these is a search section: 'Search through the Discogs database' with a text input field containing 'Release title, artist name, barcode, catno...' and a 'Search' button. At the bottom of the modal, there is a section 'With Discogs release ID' with a help icon, a text input field containing 'Discogs release id', and a 'Submit' button. The background dashboard also shows a list of messages, including one from 'Cya soon' and another from 'Ryan Croughan'.
