

Make a horse mask

You will need:

- ★ two paper plates
- ★ brown and black felt tips or crayons
- ★ scissors
- ★ glue stick
- ★ sticky tape
- ★ elastic or wool
- ★ grown-up helper

What to do:

1. One paper plate will be the mask. Colour this plate in brown.

2. Cut these shapes from the other plate:

- ears 
- eyes 
- an oval for the nose and mouth 
- a fringe shape 

3. Use the black pen to colour the eyes, and cut a mouth and nostrils out of the oval shape. Colour the fringe in black.

4. Use the glue stick to fix the ears, eyes, fringe and nose/mouth onto the brown mask plate. You may need sticky tape to fix the ears.

5. Ask your grown-up helper to make two small holes either side of the mask, and tie some elastic or wool through the holes.

6. Cut small holes in the eyes so you can see out.

7. Neigh! Now you can wear your mask!
