EDUCATION

Aug 2021 - present

MSc in Information Processing Science

University of Oulu

Oct 2017 - May 2021

B. Eng. in Systems Engineering

University Politehnica Timisoara, Romania

PROFESSIONAL EXPERIENCE

Mar 2021 - Jun 2021

Ruby Junior Developer

Unifiedpost Group

My first experience working in an Agile environment and developing high-quality backend features within the payments service team. My daily job consisted in developing features, handling bugs and performing unit testing using Ruby on Rails as a backend framework.

Ruby · Ruby on Rails · PostgreSQL · Git · BitBucket · CI/CD · Agile · Scrum · Jenkins · Unit testing
