JTaylor Promotes Two New Partners and Two Sr. Managers

MARCH 8, 2022

JTaylor, a professional services firm that provides accounting, assurance, consulting and tax services, distinguished from its peers by high-end technical and strategic capabilities, has announced two new Partner and two Senior Manger promotions.

"Our firm has continued an unparalleled growth trajectory and we are committed to providing our clients and staff with the right resources and support," said **Michael S. Malloy**, JTaylor Managing Partner. "It's exciting to see such incredible professionals ascend into positions of leadership in our firm, both for their careers, as well as for our clients and the rest of our talented team.

Marc Geisler, Julie La Pata, Andrew M. Pirtle and Ronald Woodruff

The promotions:

Marc Geisler, CPA
Partner – Tax Services

Marc Geisler joined JTaylor's tax services division in 2015. His practice emphasis is in taxation compliance and planning, with specialized experience serving clients in closely-held businesses, healthcare, private equity, hospitality, manufacturing and professional services.

Andrew M. Pirtle, CPA
Partner – Tax Services

During Andrew Pirtle's career, he has focused on tax compliance and advisory with an emphasis on retail, logistical consulting, financial services, real estate and transportation services. He has extensive knowledge working on federal, state and local partnerships, corporation and individual tax returns.

Julie La Pata, CPA, CM&AA
Sr. Manager – Consulting Services

Julie La Pata provides consulting and valuation services with an emphasis in the healthcare industry. Her fields of expertise include business valuations, fair market value assessments, due diligence related to mergers and acquisitions, quality of revenue/earnings assessments, and transaction support.

Ronald Woodruff, CPA
Sr. Manager – Tax Services

Ron Woodruff, focuses on complex tax preparation and consulting with businesses and their owners. A Marine, Ron began his career working at Bass Enterprises and then worked with Murray Construction Co. as Controller.
