

Adventure Mount

ADVENTURE MOUNT
for SOMO Classic

ADVENTURE MOUNT
for SOMO Mini

Description & Purpose

Multifunctional clip-on adapter with five mounting and carrying options, including handknotted lanyard, magnetic attachment and tripod connection. Developed as an accessory for the Sonnenglas® SOMO Classic & Mini solar light modules. Use as a mobile, solar-powered light source for camping, hiking and as an emergency light source in crises and areas without electricity.
