**Dr. Huisheng Xie** DVM, PhD, The Founder of Chi University

Dr. Xie has 41 years of clinical, teaching, and research experience in veterinary acupuncture and TCVM. He has trained over 10,000 veterinarians to practice TCVM worldwide. Dr. Xie's education includes advanced training in veterinary medicine, veterinary acupuncture, and human acupuncture. Dr. Xie has authored 20 books and over 100 peer-reviewed papers. His textbooks, including *Xie's Veterinary Herbology*, *Xie's Veterinary Acupuncture*, and *Traditional Chinese Veterinary Medicine-Fundamental Principles* have been used for TCVM training programs around the world. Dr. Xie continues to teach and develop educational courses and programs at Chi University, serves as a full clinical professor at the University of Florida's College of Veterinary Medicine, and is an honorary professor at China Agricultural University, South China Agricultural University, and China Southwest University.

**Dr. Joyce Gerardi** DVM, CVA, CVCH, CVFT

Dr. Gerardi completed her undergraduate studies at Stony Brook University and Cornell University in New York where she also supervised the teaching hospital's Small Animal ICU. Dr. Gerardi earned her doctorate degree in Veterinary Medicine from Iowa State University. She completed intern rotations at the Animal Medical Center in New York City and at the University of Edinburgh, Scotland with advanced training in canine neurologic diseases. Dr. Gerardi is a Certified handler of a Hearing Assistance Dog with International Association of Assistance Dog Partners (IAADP) and is dedicated to helping persons with a disability who depend on a service animal. Dr. Gerardi continues her studies by pursuing a Master's Degree in TCVM to use regenerative medicine therapies combined with TCVM to advance veterinary pain management options.

**Dr. Greg Todd** DVM, CVA

Dr. Todd graduated from the University of Florida with a DVM in 1988. In 1993, Dr. Todd became an apprentice to Dr. Patrick Sullivan, AP, and began studying Traditional Chinese Medicine. In 1996, he became certified by IVAS. His studies continued at Chi. He has lectured and instructed nationally and internationally for IVAS, the North American Veterinary Conference, and Chi. Dr. Todd practices integrative veterinary medicine at the Animal Hospital of Dunedin in the Tampa Bay Area.

**Dr. Patricia Perkins** DVM, CVA, CVCH, CAC, BHS

Dr. Perkins has a thirty-year history training and competing dogs. She earned a Bachelor's degree in health sciences and worked for thirteen years in clinical laboratory medicine. In 2000, she graduated from the University of Missouri with a DVM. Dr. Perkins pursued veterinary acupuncture training at Colorado State University and at Chi University. She completed her veterinary chiropractic training at Options for Animals and her Chinese Herbal Medicine training at Chi. She enjoys dog obedience training and showing with her Belgian Malinois, Azure, and her Whippet, Emma. She is the owner of Canine Performance Medicine, LLC and practices in suburban Kansas City, Missouri.

**Dr. Tatang Cahyono** DVM, CPN, CTCVMP, MSTCVM

Dr. Tatang Cahyono specializes in TCVM and works in the largest small animal clinic in Jakarta. Dr. Cahyono received his DVM in 2003 from Airlangga University in Indonesia. During his early professional career, he worked in the pharmaceutical industry. Later, he became certified and worked as a human acupuncturist. In 2012, he went to Chi to study Small Animal Acupuncture, Chinese Veterinary Herbal Medicine, Food Therapy, and Veterinary *Tui-na*. Dr. Cahyono is the Indonesian Board Director of WATCVM and an International Director of Chi.

## Intro module online

History of Chinese Herbals  
Chinese Herbals Sourcing, Processing, and Selling  
Herbal Energy and *Yin-Yang*  
Herbal Tastes and Five Elements  
Herbal Actions and Combinations  
*Pin-Yin* and the Nomenclature of Chinese Herbal Medicine  
Chinese Herbal Medicine FAQs  
Herbal Safety, Toxicity and Quality Control  
Historical Case Studies - Astragalus and Coptis

## Kidney

*Qi*, Blood, *Yin*, Tonic Herbs and Formulas  
How to Treat Pediatric Diseases Kidney *Jing* Deficiency  
How to Treat *Bi* and Osteoarthritis  
*Yang* Tonic Herbs and Formulas  
How to Treat Renal Failure  
TCVM Geriatric Medicine  
How to Treat Wobbler Syndrome  
How to Treat IVDD  
How to Treat Degenerative Myelopathy (DM)  
How to Treat *Wei* and *Tan-Huan* Syndromes  
How to Treat *Lin* Syndrome and Bladder Infections  
Canine Sports Medicine  
Equine Lameness  
Equine Sports Medicine  
Infertility, Inflammatory Genital Diseases: A TCVM Approach

## Liver & Endocrinology

Herbs to Pacify Liver and Extinguish Internal Wind  
Herbs to Invigorate Blood and Break Blood Stasis  
TCVM for Jaunice/*Huang Dan* Syndrome, Cholangitis Complex and Other TCVM Liver Medical Disorders  
How to Treat Diabetes  
Herbs to Stop Bleeding  
Purgative Herb and Purgative Herbal Formulas  
Herbs to Calm *Shen*  
TCVM Approach to Seizure/Epilepsy  
Introduction to TCVM Ophthalmology  
How to Treat Uveitis/Conjunctivitis  
How to Treat Cataract/Glaucoma and Other Ocular Disorders  
How to Treat Hypertension  
Introduction to the TCVM Endocrine System  
TCVM Approach to Other Neurological Disorders  
Cushing's Diseases in Dogs  
Hypothyroidism in Dogs: A TCVM Approach  
Hyperthyroidism in Cats: A TCVM Approach  
Endocrine Disorders in Horses: Pituitary Pars Intermedia Dysfunction, Metabolic Syndrome and Others

## Respiratory & Cardiovascular

Herbs to Clear Heat  
Herbs to Release the Exterior  
Herbs to Transform Phlegm and Stop Cough  
Heart Physiology and Pathology  
How to Treat Behavioral Problems  
Five Spirits and Disorder  
Congestive Heart Failure, Cardiac Arrhythmia and Heart Murmur  
Lung Physiology and Pathology  
How to Treat Feline Asthma  
Canine Sinusitis, Upper Airway Infections - Bronchitis and Pneumonia  
Equine Cough and Respiratory Infections  
Equine COPD and Heaves  
Nasal Congestion and Discharge, Nose-Bleeding, Anhidrosis

Use Chinese Herbal Medicine to treat your patients and prevent a wide range of disease conditions.

## Gastrointestinal and Spleen

Herbs to Dispel Wind-Damp  
 Aromatic Herbs to Transform Damp  
 TCVM Approach for the Treatment of Small Animal GI Cases  
 Herbs to Drain Damp and Benefit Urination  
 Herbs to Regulate (Stagnant) Qi  
 Herbs to Relieve Food Stagnation  
 Herbs to Warm the Interior  
 Spleen-Stomach School (*Pi Wei Pai*)  
 How to Use TCVM for Inflammatory Bowel Disease (IBD)
