Data sheet

HP 935 Creator Wireless Mouse

A mouse made to make

Experience seamless and uninterrupted creativity with a mouse that is crafted to create. With customizable buttons, ergonomic design, battery life that lasts up to 12 weeks,[1] and the freedom to work on any surface, be at your creative best.

Made for customization
Customize[2] commands and shortcuts with 7 programmable buttons and hyper-fast scroll wheel.

Connect to multiple devices
Enjoy the flexibility to connect to multiple devices using a dongle or Bluetooth®.

Connect across devices
Connect across devices with one mouse that moves with you even between operating systems.

Create comfortably
Create comfortably with an ergonomic mouse.

12 weeks of battery life
Keep creating, with USB-C® rechargeable battery life up to 12 weeks[1].

Ditch the mouse pad
Work anywhere with a mouse that tracks on any surface - including glass[3].

1. Based on 5 days a week, 8 hours per day. Actual battery life will vary with use and environmental conditions, and will naturally decrease with time and usage.
2. Enabled through HP AC Software for Windows and iOS, and through Mouse configurator App for Pop!_OS.
3. Tested on the glass less than 4mm thickness.
