PROPOSAL NO. 24, 2024 - reappoints Brett Voorhies to the Indianapolis Airport Authority Board

Brett Voorhies stated that he has been on the board for over ten years, and it has been an amazing experience. He stated that for the last several years, the Indianapolis Airport has been the number one airport in North America, and across the entire world. He stated that he would be grateful and honored to serve another term.

Councilor Jones stated that Mr. Voorhies has been a tremendous asset to the Indianapolis Airport Authority Board, and that she is happy to support his reappointment.

Councilor Graves thanked Mr. Voorhies for his years of dedication to the Indianapolis Airport Authority Board and for the wonderful work that they are doing at the airport.

Councilor Evans thanked Mr. Voorhies for the communication that he has given him regarding the board. He stated that he would appreciate his help and support to push the airport a little bit on the Vandalia Trail that runs through portions of the airport property.

Councilor Ali Brown thanked Mr. Voorhies and the Indianapolis Airport Authority Board for being so inclusive and making it so everyone can travel. She stated that the fact that they went through sensory training and have now added sensory rooms makes it so families like hers can go to the airport without so much fear.

Councilor Jesse Brown thanked Mr. Voorhies for bringing a labor perspective and for his service.

Chair Jackson thanked Mr. Voorhies for his many years of service and for his leadership. She asked what his proudest moment was while serving on the board. Mr. Voorhies stated that his father served on the board for many years, and to be able to follow in his footsteps and serve on the board is quite amazing for him. There are so many moments that make it hard to pinpoint one thing.

Councilor Jones moved, seconded by Councilor Evans, to send Proposal No. 24, 2024 to the full Council with a "Do Pass" recommendation. The motion carried by a vote of 10-0.

There being no further business, and upon motion duly made, the meeting was adjourned at 5:40 p.m.
