

VALCO MELTON'S ALL-NEW RUGGED HOT MELT HOSES

The new RUGGED hoses from Valco Melton bring a new definition of durability, longevity and overall quality to the hot melt hose supply industry. Valco Melton has been manufacturing hot melt hoses for over 40 years and are now introducing the hose that's more durable and industry tough than any that have come before it.

Features:

- Compatible with all Valco Melton and existing Nordson/Industry Standard melters
- RUGGED corrugated plastic flex cover that protects against water, zip tie hot spots and wear points
- Clip Guard to ensure hose electrical connection doesn't come off of melter
- Internal Nomex insulation and Parker cores for the best internal hose component quality

RUGGED Hot Melt Hose with plastic corrugated cover

Easy to Connect to any Valco Melton or Nordson melter

Electrical Cordsets flexible with 90 degree option plug

Quick Lock clamp on electrical connection
