

Don Bosco Institute of Technology, Mumbai – 400070

Department of Computer Engineering

Report on: **Web Development Workshop**

Title: Web Development Workshop

Date: 15th-16th January, 2022

Time: 10:00 am to 12:00 pm

Venue: Google meet

Excerpt: <https://meet.google.com/hdj-bijz-oie>

Registered: 126

Participants on Google meet: 45

Resource Person: Siddharth Daigudde

Organizing Department/Committee/Authority: ACM Student Chapter

Faculty Coordinator: Ms. Sana Shaikh

Objective:

- Understand the basic concept of creating a functional web page.
- Learn the basics of HTML and CSS programming language to effectively implement it in the web environment and create well organized and styled web pages.
- Gain skills about the bootstrap framework.

Outcomes:

- Develop a fully functioning modern looking website.
- Implement basic HTML and CSS.
- Understand and be able to build websites using the open source CSS framework bootstrap.

Report:

ACM's *Web Development Workshop* was held on the 15th and 16th of January, 2022 from 10:00 am to 12:00 pm. The main agenda behind this workshop was to get more people acquainted with web development and gain hands-on experience. The workshop was free and kept open for students from all branches of all engineering colleges.

Day 1 of the hands-on workshop began with an introduction given by Mr. Siddharth Dhaigude (Asst Tech Head - ACM). He started by giving an overview of HTML. A presentation was made by the speaker to explain and increase the efficiency of understanding the topic. Topics like HTML, CSS, JavaScript were explained in an organised flow. The Speaker created basic layouts and styles and kept improvising to keep the students engaged. Doubts by the students were actively solved by the speaker. Many shortcuts and tricks were introduced. Speaker demonstrated how to make a basic website interactive. He also encouraged students to explore further by recommending useful websites. The session was concluded with a Q&A session wherein he answered and cleared doubts of students.

Day 2 of the workshop started with an introduction to bootstrap. The basic web page created by the speaker on day 1 was improved. Students were taught how to style their website using bootstrap and CSS. Doubts by the students were actively solved by the speaker during the session. Many shortcuts and tricks were introduced. Speaker demonstrated how to make a basic website interactive. He also encouraged students to explore further by recommending useful websites. The session was concluded with a Q&A session wherein he answered and cleared doubts of students.

Lastly the participants were asked to fill the feedback form which was put up in the google meet chat box as well as circulated on the WhatsApp group.

FEEDBACK ANALYSIS:

Year
21 responses

Will you attend similar workshops in the future ?

21 responses

Did you understand all the concepts well?

21 responses

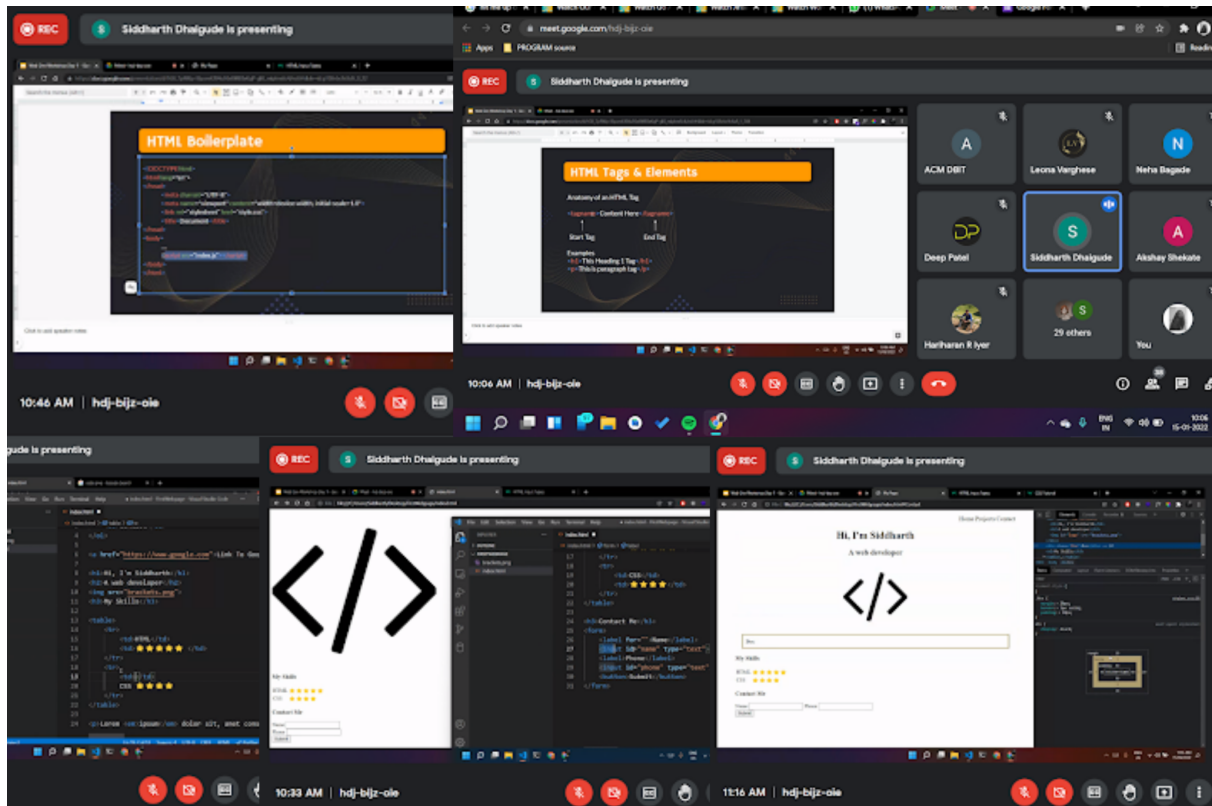

How satisfied were you with the workshop?

21 responses

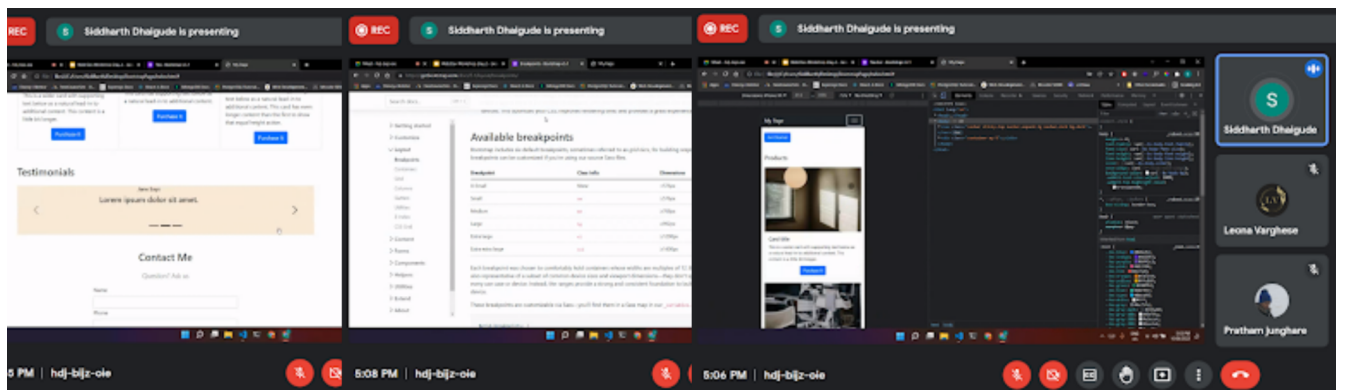

SNAPSHOT OF THE EVENT:

Day 2

POSTER:

The poster features a background of binary code (0s and 1s). At the top left is the ACM logo (Association for Computing Machinery) with the text 'acm' and 'ACM STUDENT CHAPTER'. At the top right is the DBIT logo (Department of Information Technology) with the text 'TECHNOLOGY FOR THE FUTURE' and 'DBIT'. The main title is 'DBIT ACM PRESENTS WEB DEVELOPMENT WORKSHOP'. Below the title is a central graphic of a red spiderweb with a black spider in the center. Surrounding the spiderweb are the text labels 'CSS', 'HTML', 'JavaScript', and 'BootStrap'. Below the spiderweb is a black box with white text: 'FREE REGISTRATION', 'Day 1 - 15 Jan, Sat | 10 AM', and 'Day 2 - 16 Jan, Sun | 4 PM'. At the bottom, there is contact information: 'Contact us: Tiffany Jesus - +91 9822959521, Siddharth Dhaigude - +91 7506575930'. Below the contact information are social media icons for Facebook, Instagram, Twitter, LinkedIn, and YouTube.

REGISTRATION DETAILS:
