

Easter ornaments

Creating with fuse beads will keep you busy for hours! With one person sorting all the colours, the other can begin to create ! From mini projects to complete materpieces, you will be guaranteed a complete afternoon of fun!

1 Using A4 paper and our inspiration template, print template out and lay this under your transparent bead board.

2 Choose your favourite colours and make the most colourful ornaments for Easter. Following the instructions on the packaging, fuse beads together.

3 Make a small hole through your ornament and thread a ribbon through.
