 JAKARTA

LESS IS MORE

My motto as a graphic designer is simple: to go back to the basics to ensure focus and clarity. Minimalism is an art. When we simplify, we are forced to be honest and genuine in our interpretation of the idea or message. Simplification is hard. Therein lies the creative challenge, which drives me to do what I do.

WHAT I LOVE TO DO	EXPERIENCE & EDUCATION
LOOK FOR DESIGN & LISTEN TO INSPIRATION ILLUSTRATE MUSIC	 NON-PROFIT ABC 2019 Volunteered as Graphic Designer for 6 months Designed their website (abc.dom) and branding materials which helped secure sponsors for their education initiatives
