## **Report :**

The first event of Teknack 2021 gaming was decided to be Valorant Tournament, starting from 5<sup>th</sup> April. Registration forms, posters and introductory message were made and supplied and students from all colleges and degrees were reached out for participating in this tournament. Moderators for the tournament were selected for monitoring the games and managing the tournament and a team of 5 students were brought together for this tournament of which three were from our ACM DBIT Student Chapter - Joel Shaji Parakal (Administration Head ACM DBIT), Rahul Pudurkar (Technical head ACM DBIT), Sneha Satish (Treasurer ACM DBIT).

First 16 teams were then allowed to participate in the tournament after which the registrations were closed and the schedule for the tournament was set to be from 5<sup>th</sup> April to 8<sup>th</sup> April. Rules and regulations were set by the organizer and the schedule was supplied to the participants.

The first day started with the knockout phase, a clash of 8 teams with 8 teams. Batches of 4 matches were made to be played per hour. This went on for 2 hours straight without any break from 4 PM to 6 PM. The top 8 teams were then told their match-ups for Quarter Finals and after 30 minutes break time, the Quarter Finals was conducted. The remaining 4 victors of the first day proceeded to play in the second day of Teknack Valorant Tournament 2021.

The second day was kept solely for the Semi-Finals and the decision match for 3<sup>rd</sup> place. For the entertainment of the non-participating students all matches from day 2 were streamed Live on Youtube for which the links are provided in the EXCERPT section above. Two commentators were chosen of which one is a Twitch streamer - Arin Parab and other a Valorant Gamer - Kaushal Patil. One by one the two semi finals match were conducted with the help of our moderators, streaming team and commentators. All the 4 teams tried their best to be crowned the victors of this tournament. Team Vardan (TE IT) and Team Jairaj won the Semi-Finals and were given a day to rest for the upcoming fight in the finals of this tournament. The teams which were defeated were told to come for their next match after a 30 minutes break. Team Lav (TE COMPS) secured the third place. With that the day was concluded and all were eager for the finals match on 8<sup>th</sup> April.

On the last day, a best of 3 final was decided. In which the first to win two matches will be crowned the ultimate winner of the tournament. Team Jairaj won two consecutive matches and won the tournament, with which the second place was secured by Team Vardan. Both the matches were thrilling and exciting wherein both teams were trying their best to win and trick the opponent. The second match was so close that the viewers has a impression that Team Vardan will return back to the lead but to no avail Team Jairaj defeated Team Vardan. Both the finalists were applauded for their effort. And with this the tournament came to an end, a tournament filled with excitement, thrill, team-work, tactics and enjoyment.
