Virtual Reality

Augmented Reality

Mixed Reality

ATEM devs are building experiences and spaces that is ready for the future! We strongly believe AR/VR/and Mixed reality is the new frontier for digital experiences and we aim to deliver. The ever evolving ATEM Garage spaces are already built to AR/VR Specifications and we are excited to unlock that functionality in due time.

Mini games are coming!

Did you all think ATEM is building just one game? Why just stop at one? Our assets are designed for interoperability utilizing the latest gaming standards and in time club members will have access to several games/collaborative mini games in development!

Are you a Project Manager/Dev and would like see ATEM in your game or have your game accessible from our digital spaces? let us know at collab@clayroadproductions.com

ATEM Car Club Welcomes WalkerWorld

In the spirit of interoperability, we feel this partnership is a great step towards progressing both projects. We feel that ATEM digital vehicles fit perfectly with Cryptowalkers aims to traverse the metaverse. Driving is always faster than walking, right?

As an added bonus ATEM Membership Card holders will also be included as part of the upcoming allow list for the Female Walker Collection. We are proud to be working alongside Cryptowalkers and happy to present this partnership and the opportunities it will bring to our club members.

Stay tuned drivers, the future is bright!

COMING SOON EARLY 2023
