

City Council/AlexRenew Board CSO Workgroup Meeting Summary

Meeting No. 17 / January 18, 2023

Meeting Attendees:

CSO Workgroup	City of Alexandria	Alexandria Renew Enterprises
Mayor Justin Wilson	Erin Bevis-Carver	Karen Pallansch
Vice Mayor Amy Jackson		Caitlin Feehan
AlexRenew Board Chair John Hill		Justin Carl
AlexRenew Board Vice Chair James Beall		Nicole Bushnell

The meeting convened at 5:04 p.m.

The highlights of the presentation included:

- An update on RiverRenew Tunnel Project construction activities
- An overview of upcoming pile driving activity at the Pendleton Street site
- An update on community outreach initiatives

The following is a summary of the questions asked by the Workgroup and the answers provided by staff:

Mayor Justin Wilson asked how much time is required for a Tunnel Boring Machine (TBM) intervention.

Justin Carl, RiverRenew Program Manager, explained that the duration of an intervention depends on the work being done. The first intervention, during which the TBM's cutters were replaced, lasted approximately one day.

Mayor Wilson asked if pile driving at Outfall 001 could extend beyond the current anticipated completion date of June.

Mr. Carl responded that June is a conservative date is based on previous sheeting activity performed at the site.

Mayor Wilson asked when sheet piling at the Hooffs Run Interceptor will be completed.

Mr. Carl specified that sheet piling activity should be complete by June 2023.

Other discussion points:

- Mayor Wilson thanked Karen Pallansch for her years of service to AlexRenew and presented her with a Proclamation from the City of Alexandria.
- The meeting adjourned at 5:43 p.m.
- The next Council-Board Workgroup meeting is tentatively scheduled to be held in April 2023.
