

# ST-31-060 WEST MORRIS STREET REVITALIZATION - 90% PLANS

## PROJECT DETAILS

This Complete Streets project proposes to make improvements to West Morris Street from the bridge over Eagle Creek to South Harding Street. These improvements include installing two-way left turn lanes or divided medians in selected areas, parking bump outs and traffic signal upgrades. The project also calls for road resurfacing, sidewalks, a bike lane/multi-purpose path and landscaping enhancements. Learn more at [indy.gov/dpw](https://indy.gov/dpw).

The Indianapolis Department of Public Works (DPW) continues to transform Indianapolis neighborhoods through the restoration of deteriorating thoroughfares, residential streets, sidewalks and bridges, as well as addressing neighborhood drainage and flooding issues. This investment continues to transform neighborhoods throughout Indianapolis.

These projects create local jobs and increase public safety for neighborhoods and residents, which supports DPW's commitment to make Indianapolis a more livable city.
