

## Diving Dolphin

**1** Look at the contents page at the start of the book. Where would you look to read information about dolphins exploring together? How would you find this page in the book?

*Common Core State Standards (Reading: Informational text): RI.1.5*

**2** Look at the picture of a dolphin on page 8. What is a “blowhole”? How do you know this from this page?

*Common Core State Standards (Reading: Informational text): RI.1.4*

**3** Turn to page 17. Name two noises that dolphins can make.

*Common Core State Standards (Reading: Informational text): RI.1.1*

**4** Read A Narrow Escape on pages 24–27. What does the young dolphin do? Why does it do this?

*Common Core State Standards (Reading: Informational text): RI.1.2, RI.2.2*

**5** Look at pages 28–29. What extra information do you learn from the picture and the labels?

*Common Core State Standards (Reading: Informational text): RI.1.6*

## **Answers**

- 1** page 16; using the page numbers at the bottom of the page
- 2** a hole on the top of a dolphin's head that it breathes through; from the text and label on the picture
- 3** squeal and whistle
- 4** It hides to avoid being eaten by the orca.
- 5** the position of the flippers and beak on the dolphin's body
