Appendix of Definitions

Active Non-Financial Entity (NFE)

A NFE that, in the last financial year, had less than 50% of assets held to produce Passive Income, and less than 50% of its gross income came from Passive Income. Specific types of Active NFEs include holding/treasury companies, start-up companies, entities in liquidation and bankruptcy, tax-exempt non-profit organisations, and other Active NFEs.

A registered charity that is a NFE will be an Active NFE (even if it derives predominately Passive Income).

Beneficial Owner

A Beneficial Owner means the individual (natural person):

- Has effective control of the customer or person on whose behalf the transaction is conducted; or
- Owns a prescribed threshold of the customer or person on whose behalf a transaction is conducted;

This includes

- A person with ultimate ownership or control of the customer, whether directly or indirectly; or
- Includes a person on whose behalf a transaction is conducted that is a customer of a customer, but only if the person meets the requirements set out in a).

Common Reporting Standard (CRS)

A set of rules developed by the OECD on how countries taking part in the automatic exchange of financial account information (AEOI) collect, report, and share financial account information. Under New Zealand law, Financial Institutions must collect tax residency information about any people or entities that are tax resident of countries other than New Zealand and report it and account information to Inland Revenue, who may share it and account information with certain Participating CRS Countries.

Controlling Person

Any individual who can exercise control over the investing entity or any other natural person exercising or having the ability to exercise control (including through an intermediary, or a chain of control or ownership). This could include:

- for companies: shareholders with more than 25% ownership interest and directors
- for partnerships: the partners
- for trusts: settlors, trustees, protectors, beneficiaries* or other natural persons, regardless of whether any of them in practice exercises control over the activities of the trust

*A discretionary beneficiary or class of discretionary beneficiaries (that does not otherwise control a trust) should only be treated as a Controlling Person if they have received a distribution from the trust or intend to exercise vested rights. The trust or trustee should inform Generate if they make a distribution to such a beneficiary or when a beneficiary intends to exercise rights.

Where an entity occupies a position of control in relation to an investing entity, you will need to identify the individuals that are Controlling Persons of that entity.

Deemed Compliant Foreign Financial Institution

A non-US Financial Institution that doesn't have to register with the IRS in relation to FATCA. If you choose this status, you'll need to complete and return a W-8BEN-E form obtainable from the IRS website at irs.gov/pub/irs-pdf/fw8bene.pdf
